Track Upgrades

October 15th was an exciting day for the Peace Region Games Society as construction got underway at the Glenmary track. Excavation around the track will allow for two additional lanes for a total of eight. A layer of gravel has also been added. Next spring asphalt and lines will be added to complete the first major facility upgrade as part of the 2010 Alberta Summer Games. A huge thank you to all sponsors who have generously donated labor and materials to this project: Ruel Bros. Contracting, Glen Armstrong Construction and Sok's Contracting.

The Meeting Place - Cultural Venue at River Front Park

The culture team is looking for people interested in displaying their talent during the Games!

- If you can sing, dance or tell a joke you may want to be part of the Stage Show taking place July 21 - 23.
- If you have art for sale you may be interested in selling your wares at the Art Market. Here is your opportunity to display your paintings,

jewelry, pottery, pictures or crafts.

- Over 3000 participants and thousands of additional spectators from around the province will converge in the Peace Region for the Games. Help us to showcase the many talents of the Peace Country!

For more information visit the Games website, the 2010 Alberta Summer Games page on Facebook or call Gloria at 780.624.5892.
