

Second Prize

Athletic Character

To reach your goals,
You will need to be determined.
Be strong in spirit,
Make your heart stick to it.
And always know that sometimes you lose,
Sometimes you win.

To succeed in the games,
You need to be a good sport,
Accept and rely on support,
It is time to sink or swim.

Push to the limit,
Put your whole heart in it.
Hard work pays off,
But keep your smile and your heart soft.

Believe that your time is now,
You know exactly how.
You trained for this day,
Dividends will pay!
